Ready to rise above the greenwash?

Declare your product and stake your claim in the transparent materials economy.

Consumers are now demanding detailed information about the products they buy.

Declare is a **nutrition label** for the building industry that connects you with your target market.

The **Declare** program meets the product reporting requirements of the Living Building Challenge and other green building certification programs in Europe and internationally.

Declare your product, because for today's consumers, the most important information is the hardest to get.

The **International Living Future Institute** has partnered with **Toxnot** to give manufacturers access to a robust, streamlined **Declare** reporting platform. To get started and learn more about the program visit:
